There's an update available: Visual Studio Code 1.125.1

Activate Windows
Go to Settings to activate Windows.

Ln 1, Col 1 Spaces 4 UTF-8 CRLF Python Python 3.13 (64-bit)

The screenshot shows the VS Code interface with the 'TERMINAL' tab active. The program is a 'STOCK PORTFOLIO TRACKER'. It starts with a menu: 1. Show Stocks, 2. Buy Stock, 3. View Portfolio, 4. Exit. The user enters '1'. Then it shows 'AVAILABLE STOCKS':

Stock	Price
TCS	₹3500
INFY	₹1600
RELIANCE	₹2900
ITC	₹450
SBIN	₹850

The user enters '2'. It prompts 'Enter Stock Name: TCS' and 'Enter Quantity: 10'. A green checkmark indicates '10 Shares of TCS Added'. The status bar at the bottom shows 'Ln 1, Col 1', 'Spaces: 4', 'UTF-8', 'CRLF', 'Python', and 'Python 3.13 (64-bit)'.

This screenshot shows the next step in the program. The user enters '3'. It displays 'MY PORTFOLIO':

Stock	Qty	Value
TCS	10	₹35000

Below this, it shows 'Total Portfolio Value: ₹35000'. The status bar at the bottom remains the same as the previous screenshot.
